

UNIVERSE POWER

29:2.14. All energy is circuited in the Paradise cycle, but the Universe Power Directors direct the force-energies of nether Paradise as they find them modified in the space functions of the central and superuniverses, converting and directing these energies into channels of useful and constructive application. There is a difference between Havona energy and the energies of the superuniverses. The power charge of a superuniverse consists of three phases of energy of ten segregations each. This threefold energy charge spreads throughout the space of the grand universe; it is like a vast moving ocean of energy which engulfs and bathes the whole of each of the seven supercreations.

29:2.15. The electronic organization of universe power functions in seven phases and discloses varying response to local or linear gravity. This sevenfold circuit proceeds from the superuniverse power centers and pervades each supercreation. Such specialized currents of time and space are definite and localized energy movements initiated and directed for specific purposes, much as the Gulf Stream functions as a circumscribed phenomenon in the midst of the Atlantic Ocean.

THE UNIVERSE POWER DIRECTORS

The following three groups and subgroups of living beings have to do with force control and energy regulation in the master universe:

- 1) Primary Eventuated Master Force Organizers.
- 2) Associate Transcendental Master Force Organizers.
- 3) Universe Power Directors.
 - A) The Seven Supreme Power Directors.
 - B) The Supreme Power Centers.
 - C) The Master Physical Controllers.
 - D) The Morontia Power Supervisors.

THE MASTER FORCE ORGANIZERS

29:5.1. The force organizers are resident on Paradise, but they function throughout the master universe, more particularly in the domains of unorganized space. These extraordinary beings are neither creators nor creatures, and they comprise two grand divisions of service:

- 29:5.2. 1) Primary Eventuated Master Force Organizers.
 29:5.3. 2) Associate Transcendental Master Force Organizers.

29:5.5. Primary Master Force Organizers are the manipulators of the primordial or basic space-forces of the Unqualified Absolute; they are nebulae creators. They are the living instigators of the energy cyclones of space and the early organizers and directionizers of these gigantic manifestations. These force organizers transmute primordial force (pre-energy not responsive to direct Paradise gravity) into primary or puissant energy, energy transmuting from the exclusive grasp of the Unqualified Absolute to the gravity grasp of the Isle of Paradise. They are thereupon succeeded by the associate force organizers, who continue the process of energy transmutation from the primary through the secondary or gravity-energy stage. (cont'd)

- Local Universe

MORONTIA POWER SUPERVISORS

48:2.1. These unique beings are exclusively concerned with the supervision of those activities which represent a working combination of spiritual and physical or semimaterial energies. They are exclusively devoted to the ministry of morontia progression. Not that they so much minister to mortals during the transition experience, but they rather make possible the transition environment for the progressing morontia creatures. They are the channels of morontia power which sustain and energize the morontia phases of the transition worlds.

48:2.2. Morontia Power Supervisors are the offspring of a local universe Mother Spirit. They are fairly standard in design though differing slightly in nature in the various local creations. They are created for their specific function and require no training before entering upon their responsibilities.

48:2.3. The creation of the first Morontia Power Supervisors is simultaneous with the arrival of the first mortal survivor on the shores of some one of the first mansion worlds in a local universe. They are created in groups of one thousand, classified as follows:

- 48:2.4.1. Circuit Regulators...400
- 48:2.5.2. System Co-ordinators...200
- 48:2.6.3. Planetary Custodians...100
- 48:2.7.4. Combined Controllers...100
- 48:2.8.5. Liaison Stabilizers...100
- 48:2.9.6. Selective Assorters...50
- 48:2.10.7. Associate Registrars...50

48:2.11. The power supervisors always serve in their native universe. They are directed exclusively by the joint spirit activity of the Universe Son and the Universe Spirit but are otherwise a wholly self-governing group. They maintain headquarters on each of the first mansion worlds of the local systems, where they work in close association with both the physical controllers and the seraphim but function in a world of their own as regards energy manifestation and spirit application.

48:1.5. The Morontia Power Supervisors are able to effect a union of material and of spiritual energies, thereby organizing a morontia form of materialization which is receptive to the superimposition of a controlling spirit. When you traverse the morontia life of Nebadon, these same patient and skillful Morontia Power Supervisors will successively provide you with 570 morontia bodies, each one a phase of your progressive transformation.

THE SEVEN SUPREME POWER DIRECTORS

29:1.1. The Seven Supreme Power Directors are the physical-energy regulators of the grand universe.

29:1.2. The same director is always in association with the same Spirit, and their working partnership results in a unique association of physical and spiritual energies, of a semiphysical being and a spirit personality.

29:1.3. The Seven Supreme Power Directors are stationed on peripheral Paradise, where their slowly circulating presences indicate the whereabouts of the force-focal headquarters of the Master Spirits. These power directors function singly in the power-energy regulation of the superuniverses but collectively in the administration of the central creation. They operate from Paradise but maintain themselves as effective power centers in all divisions of the grand universe.

29:1.4. These mighty beings are the physical ancestors of the vast host of the power centers and, through them, of the physical controllers scattered throughout the seven superuniverses.

THE SUPREME POWER CENTERS

29:2.1. The Supreme Power Centers of the grand universe, function in the following seven groups:

- 29:2.2. 1) Supreme Center Supervisors.
- 29:2.3. 2) Havona Centers.
- 29:2.4. 3) Superuniverse Centers.
- 29:2.5. 4) Local Universe Centers.
- 29:2.6. 5) Constellation Centers.
- 29:2.7. 6) System Centers.
- 29:2.8. 7) Unclassified Centers.

29:2.9. These power centers together with the Supreme Power Directors are beings of high will freedom and action. They are all endowed with Third-Source personality and disclose unquestioned volitional capacity of a high order. These directing centers of the universe power system are the possessors of exquisite intelligence endowment; they are the intellect of the power system of the grand universe and the secret of the technique of the mind control of all the vast network of the far-flung functions of the Master Physical Controllers and the Morontia Power Supervisors.

THE MASTER PHYSICAL CONTROLLERS

29:4.1. These beings are the mobile subordinates of the Supreme Power Centers. The physical controllers are endowed with capabilities of individuality metamorphosis of such a nature that they can engage in a remarkable variety of autotransport, being able to traverse local space at velocities approaching the flight of Solitary Messengers. But like all other space traversers they require the assistance of both their fellows and certain other types of beings in overcoming the action of gravity and the resistance of inertia in departing from a material sphere.

29:4.2. The Master Physical Controllers serve throughout the grand universe. They are directly governed from Paradise by the Seven Supreme Power Directors as far as the headquarters of the superuniverses; from here they are directed and distributed by the Council of Equilibrium, the high commissioners of power dispatched by the Seven Master Spirits from the personnel of the Associate Master Force Organizers. These high commissioners are empowered to interpret the readings and registrations of the master frandalanks, those living instruments which indicate the power pressure and the energy charge of an entire superuniverse.
